

**Marshall School District  
617 Madison Street  
Marshall, WI 53559-9273**

## **Marshall District Administrator Finalists and Opportunity to Meet Them**

**News Release:** Friday, February 2, 2018

Following fall surveys and focus groups, winter advertising and recruiting that resulted in 46 applicants, and recent preliminary interviews with the School Board, we have selected three finalists to continue on in the district administrator recruitment and selection process.

### **Finalists:**

**Daniel Grady**, currently elementary principal in the Fall River School District since 2017, formerly elementary school principal in the Milton School District since 2012, and Ed.D. graduate in Educational Leadership from Edgewood College.

**Brian Henning**, currently district administrator in the Waterloo School District since 2015, formerly district administrator in the New Auburn School District since 2011, and Ed.D. graduate in Educational Leadership from Edgewood College.

**Dominick Madison**, currently district administrator in the Brillion School District since 2005, formerly high school principal in Ashland since 2000, and Ph.D. graduate in K-12 Educational Administration from Capella University (MN).

Each of the finalists will be invited to visit the Marshall School District on February 5, 6, or 7 to tour the schools and community, and meet with administrators, staff, and students.

### **Community Opportunity to Hear the Finalists:**

All of the finalists will be invited to the Marshall School District from **7:00-8:00pm on Wednesday, February 7 in the Middle School Cafeteria** to participate in a panel discussion. This opportunity will provide community members, parents, and staff the opportunity to hear from all three finalists at one time and the option to provide written feedback on each of them to inform School Board final interviews on February 13, 14, and 15.

Following selection of the top candidate and contract confirmation, the new district administrator is expected to be announced in late February or early March and to begin on July 1 to succeed Dr. Barbara Sramek, who is retiring on June 30, 2018.

Mr. John Lutz  
President  
Marshall School Board
