STAFF INVOLVEMENT IN DECISION MAKING

It shall be the policy of the Board to encourage employee input in decision making in the school district.

The District Administrator shall develop channels for the communication of ideas, consistent with district goals, by employees regarding the operation of the schools. He/she shall weigh with care the counsel given by employees (professional and support staff).

In the development of rules and regulations for the operation of the school system, the District Administrator shall include in the planning stages, whenever feasible, those employees who will be affected by such provisions.
